In 1982, Dave & Buster created a place everyone loved. They built a Million Dollar Midway where you can play 18, fire off 1,000 rounds and never, ever drive 55. They built a bar where you can order a top-shelf concoction, choose from a multitude of beers or sip a \$1M Margarita. And they built a restaurant where 12 oz steaks, double burgers and ridiculously tasty culinary creations are cooked up just for you. Almost 30 years later with more locations, bigger games, cooler cocktails, and of course, your favorite foods, Dave & Buster's is still the # 1 place to Escape into Play.
