

FOOD ALLERGY OPTIONS

UPDATED MARCH 2023

Dear Dave & Buster's Guest,

Dave & Buster's is built on a foundation of fun, but we're still fully committed to the safety of our guests. That's why we offer Allergen Menus created with your unique needs in mind. We take careful precautions to ensure that each menu item has been carefully prepared with the utmost concern for guests with food allergies. Just let us know about your specific allergies and we'll find an option for you to enjoy. Please note that every Dave & Buster's restaurant offers food that may contain potential allergens. We handle them carefully, but the risk for cross-contamination is always present.

We focus on your safety so you can always have a great time at Dave & Buster's. So what are you waiting for? Eat, Drink, Play and Watch®!

PLEASE ALERT YOUR SERVER IF YOU HAVE ALLERGIES

We have prepared the following list of menu items based on current information from our food suppliers and their stated absence of allergens within these items. Please be aware that during normal kitchen operations involving shared cooking equipment and preparation areas, which may or may not include common fryer oil, the possibility exists for cross-contact; therefore, food items (including garnishes) may come in contact with food allergen proteins. Additionally, fried food items and grilled food items could absorb food allergens during the cooking process. Therefore, we recommend that individuals with these allergies and intolerances avoid ALL fried foods, grilled foods and garnishes. Due to these circumstances, we are unable to guarantee that any menu entrée below can be COMPLETELY free of food allergens.

Please note that we do not have allergen information available for our alcoholic beverages. Alcohol labeling (governed by the Alcohol and Tobacco Tax & Trade Bureau) does not require alcohol suppliers to disclose allergen information on their labels. As a result, we cannot eliminate the potential of consuming allergens in our alcoholic beverages.

PRIOR TO PLACING YOUR ORDER, PLEASE ALWAYS ALERT THE MANAGER TO YOUR FOOD ALLERGY AND/OR SPECIAL DIETARY NEEDS.

As an added precaution, please ask to be seated away from the kitchen to avoid potentially irritating aromas from the kitchen.

At Dave & Buster's, the health and safety of our guests is always a top priority. As part of our ongoing commitment to our guests with allergen concerns, we strive to provide the most current information available from our suppliers on the nine most common allergens.
