The nutritional analysis is derived by using nutrient data provided by our suppliers, the United States Department of Agriculture and nutrient database analysis of Dave & Buster's recipes using an FDA + CFIA Compliant nutritional analysis program. The rounding of figures is based on FDA guidelines. Dave & Buster's attempts to provide nutritional information regarding its products that is as complete as possible. While menu item ingredients information is based on standard product recipes, variations may occur due to ordinary differences inherent in the preparation of menu items, suppliers, region of the country and season of the year.
